

CompactDry CF-L

- 240pcs per box
- No International Certificate
- Mainly for the DAIRY Products
- The Products with Lactic acid bacteria (i.e. Yogurt, Cheese, Yogurt drinks, Raw meat, Raw fish, Raw vegetables) x Current CompactDry CF = False Positive
- It is a disadvantage of Enzyme Chromogenic Media.
- CompactDry CF-L can reduce this disadvantage.

YOGURT

Mozzarella Cheese
